### **1302. Program Overview.**

The North Georgia College and State University ROTC Grant Program provides grant assistance to residents of Georgia seeking Undergraduate Degrees and participating in the Reserve Officers' Training Corps as Full-Time students at North Georgia College and State University. The Georgia General Assembly finds that it is essential for the national defense that persons are encouraged to consider military leadership positions as an honorable and rewarding career, and that North Georgia College and State University performs a significant role in preparing and training students for professional life in the military. The ROTC Grant promotes this effort by providing eligible students with financial assistance toward their educational costs at North Georgia College and State University.

State revenues provide the funding for this program. The award amount received by the students each Award Year, and the total amount of funds appropriated for the program, is established by the Georgia General Assembly during the prior legislative session and is subject to change during the Award Year.

The North Georgia College and State University ROTC Grant Program began with the 1977-1978 Academic Year (State Fiscal Year 1978). The Georgia Student Finance Commission administers the ROTC Grant program, in accordance with the Official Code of Georgia Annotated §20-3-430 et. seq., in its entirety.

### **1304.2. Georgia Residency.**

- a. If NGC&SU grants a Military Personnel out-of-state Tuition waiver, then such student meets the Georgia Residency requirements of the ROTC Grant. No out-of-state Tuition waiver, other than for Military Personnel and their dependents, qualifies a student for ROTC Grant eligibility.

If such student later returns to Georgia, he or she must re-establish Georgia Residency for 12 consecutive months, (Refer to *Section 1304.2.a.*), before regaining ROTC Grant eligibility. A student who has a break in Enrollment of two or more consecutive semesters or quarters, and who resides outside Georgia for less than 12 consecutive months, and then returns to Georgia and Enrolls in NCG&SU within 12 consecutive months from his or her most recent date of Enrollment at NGC&SU, will continue to meet the Georgia Residency requirements for purposes of ROTC Grant eligibility.

A student must meet the requirements of this section at the time funds are disbursed by the Commission on behalf of the student. If such student has repaid the defaulted loan or refund due in full, or resolved the default status, then he or she may be eligible to receive ROTC Grant payment beginning with the school term in which repayment was made in full, but not retroactively for previous school terms. A student's default status can be resolved by one of four ways: 1) complete an acceptable rehabilitation plan, 2) having the loan repurchased by the original lender and the default status reversed, 3) by consolidating the loan out of a default status, or 4) by receiving an approved Title IV Program debt settlement, to include a compromised settlement.

#### **1304.7. Georgia Drug-Free Act.**

A student convicted of committing certain felony offenses involving marijuana, controlled substances, or dangerous drugs, is ineligible for ROTC Grant payment from the date of conviction to the completion of the following school term, in accordance with the Georgia Drug-Free Postsecondary Education Act of 1990, O.C.G.A. § 20-1-24.

- b. A student is eligible for ROTC Grant payment regardless of whether he or she has earned a Baccalaureate Degree. An otherwise eligible student who has already obtained a Baccalaureate Degree, and who is in a Matriculated status working toward a second or additional Undergraduate Degree, is eligible for ROTC Grant payment.

(The remainder of this page is intentionally blank.)

## **1307. Student Application Requirements.**

### **1307.1. Application Forms.**

A student must apply for a ROTC Grant by completing the North Georgia College & State University ROTC Grant Application, which is printable from the GAcollge411 website. In addition, NGC&SU may require applicants to complete an institutional form to provide supplemental information for the purpose of determining ROTC Grant eligibility.

### **1307.2. Application Deadline Date.**

A student must complete and submit an application with the NGC&SU financial aid office on or before the last day of the school term or the student's Withdrawal Date, whichever occurs first, in order to be paid for that school term. The last day of the school term is the last day of classes or exams for the institution, whichever occurs later. Supplemental documentation required by the institution or the Commission to support or verify a student's application information may be submitted after the deadline without jeopardizing the student's eligibility.

### **1307.3. Application Renewal.**

A North Georgia College & State University ROTC Grant Application must be completed and submitted for each Award Year. An application on file from a student for a previous Award Year cannot be used to renew a ROTC Grant award for subsequent Award Years.

(The remainder of this page is intentionally blank.)

## **1308. Award Requirements.**

### **1308.1. Award Amounts.**

- a. The maximum ROTC Grant award amount is set by the Georgia General Assembly each year, and is subject to change during the Award Year.
- b. The ROTC Grant award amount for the 2011-2012 Award Year shall be no greater than \$750 for fall semester and \$750 for spring semester, for a total of no more than \$1,500 for the Award Year.

### **1308.2. Award Amount Reduction.**

A student's ROTC Grant award amount shall not be reduced or withheld because of other aid the student may be receiving, even if the student's total aid exceeds the student's Cost of Attendance. (Refer to *Section 1309.3.*) However, a student is ineligible to receive ROTC Grant payment for a school term in which he or she is receiving payment from the North Georgia College and State University Future Officers ROTC Grant program or the North Georgia College and State University Military Scholarship program.

### **1308.3. Awards Per School Term.**

ROTC Grant payment is available to students for the standard school terms of fall semester and spring semester. NGC&SU does not currently offer the ROTC program of study for the Summer term. NGC&SU may combine mini-terms or modules to form the equivalent of a standard semester. NGC&SU may offer Non-Standard Terms or Non-Terms, in which courses or modules are taken consecutively to form the equivalent of a standard semester. Regardless of the structure of the school terms, a student may only receive ROTC Grant funds for a maximum of two semesters per Award Year.

### **1308.4. Student Notification of Award.**

NGC&SU should notify each ROTC Grant recipient of the amount of ROTC Grant funds he or she is awarded for the Award Year, and identify such funds as a North Georgia College and State University ROTC Grant award.

(The remainder of this page is intentionally blank.)

## **1309. Invoicing Requirements.**

### **1309.1. Submission of Invoices.**

NGC&SU may submit invoices to the Commission as early as 15 days prior to the first day of classes for the school term.

### **1309.2. Payment of Invoices.**

ROTC Grant funds are paid to NGC&SU by check or electronic transfer of funds, on behalf of eligible students each school term, upon submission to the Commission of a ROTC Grant invoice.

### **1309.3. Payment to Students.**

ROTC Grant funds may be applied to any of NGC&SU's direct charges, such as Tuition, fees, room and meals. If a student does not owe a balance, the institution shall pay over the same or any remaining amount of the ROTC Grant award to the student.

(The remainder of this page is intentionally blank.)

## **1310. Student Refund Requirements.**

### **1310.1. Calculation of Refund Amounts.**

- a. If the student officially withdraws, drops out, drops hours, is expelled, or otherwise fails to complete a period of Enrollment, and is entitled to a refund, a portion of such refund may need to be returned to the ROTC Grant fund.
- b. If applicable, NGC&SU must first apply the Federal Title IV Return of Funds policy for any federal aid the student may have received. To determine the refund to ROTC Grant, the institution must then apply the institution's refund policy, which may or may not be identical to the Federal Title IV Return of Funds policy, to the student's original ROTC Grant award.
- c. NGC&SU must determine the amount of the refund due back to the ROTC Grant program. The amount of the ROTC Grant award not determined to be owed back to the ROTC Grant program is retained by the NGC&SU to cover the institutions' cost for the portion of the school term that the student was enrolled.
  1. NGC&SU must adjust the student's invoice in SURFER to the new award amount remaining after the refund is calculated within 45 days of the determination.
  2. If NGC&SU has sufficient funds on hand to return to the Commission the refund owed to the ROTC Grant program, it should return the funds within 45 days of the refund determination. NGC&SU would then collect the refund amount from the student. However, the student should not be reported with a "Refund Due" status to the Commission since the funds have been repaid to the Commission.
  3. If NGC&SU does not have sufficient funds on hand to return to the Commission the refund owed to the ROTC Grant program, the student is considered to have a "Refund Due" to the Commission and the institution must report the student to the Commission with a "Refund Due" status.

### **1310.2. Collection of Refund Amounts.**

A student who owes a refund to the Commission should pay NGC&SU and NGC&SU should pay the Commission or, at its sole discretion, the Commission may require the student to pay the refund directly to the Commission. Nothing herein shall be deemed to prohibit the Commission or NGC&SU from using all available legal and equitable remedies to collect the refund.

### **1310.3. Emergency Military Duty.**

A student who is a member of the United States Armed Services, National Guard, or Armed Forces Reserve receiving funds from the ROTC Grant program who is called to emergency military duty during a school term that is already in progress should not have their ROTC Grant eligibility negatively impacted. If NGC&SU allows the student to totally withdraw and receive a grade such as “WM” for “military withdrawal” or the institution totally removes all coursework for that term (grades and corresponding credit hours) from the student’s records, the institution should cancel the student’s ROTC Grant award on SURFER, and return the full amount of the student’s ROTC Grant payment to the ROTC Grant account. This regulation may also be applied to students who are not members of the military but are otherwise unusually and detrimentally affected by the emergency activation of members of the military, as determined by the president of the NGC&SU.

(The remainder of this page is intentionally blank).

## **1311. Reconciliation Requirements.**

### **1311.1. Term-Reconciliation.**

NGC&SU must conduct a Term-Reconciliation prior to the end of each term. A Term-Reconciliation consists of an official acknowledgement by an authorized school official that the number of students and amount invoiced by the institution and the number of students awarded and amount issued by the Commission, according to the SURFER system, is accurate on that date. The Commission will not issue ROTC Grant funds for the following school term until the Term-Reconciliation is complete. Surplus funds are not returned to the Commission as part of the Term-Reconciliation process.

### **1311.2. Award-Year Reconciliation.**

In addition to the Term-Reconciliations, NGC&SU must conduct the Award-Year Reconciliation. The institution must conduct a complete student-by-student Award-Year Reconciliation with the Commission, and submit a Reconciliation Certification Form to the Commission by July 15, immediately following the completion of the Award Year.

### **1311.3. Return of Funds.**

NGC&SU must return to the Commission any ROTC Grant funds not utilized according to the Award-Year Reconciliation within 30 days of completing the Award-Year Reconciliation process. [The institution must have a procedure in place to ensure that the ROTC Grant funds do not go to an unintended third party (i.e. State, institution).]

(The remainder of this page is intentionally blank.)

## **1312. Records Retention Requirements.**

### **1312.1. Length of Retention.**

NGC&SU shall maintain accurate records, books, documents and other evidence concerning the ROTC Grant program, including, but not limited to individual student files for the later of three years after the Award Year in which the aid was awarded; or for such other period as required by an applicable statute, rule, or regulation; or such other time as requested in writing by the Commission.

### **1312.2. Documentation.**

Documentation contained within an individual student file or record, which supports the original determination of a student's eligibility, must be retained by the institution and available for review by the Commission on the institution's campus, located within the State of Georgia, for at least three years after the most recent Award Year for which the student received ROTC Grant funds. (Refer to *Section 1314.*) NGC&SU is permitted to maintain these documents in an imaged media format. The imaged media format must be capable of reproducing an accurate, legible, and complete copy of the original document.

- a. Such documentation may include, but is not limited to, copies of Permanent Resident Alien Cards, Georgia State Income Tax Returns, and applications for student financial aid. Documentation regarding a student's eligibility is not limited to files, records, and other information received and maintained by the institution's student financial aid office. Documentation supporting a student's eligibility that is received and maintained by the institution's admissions office, registrars office, business office, and other administrative operations of the institution must be available to the Commission for the purpose of Compliance Reviews. It is the institution's responsibility to resolve any inconsistencies or conflicting information within a student's records, prior to awarding or disbursing ROTC Grant funds to the student.

### **1312.3. Extended Retention.**

NGC&SU must retain student records involved in a Compliance Review, audit, or investigation for more than the three-year retention period, described above, if the three-year retention period expires before the issue in question is resolved. The institution must continue to retain all associated records until resolution is reached.

### **1313. Administrative Reviews and Exceptions.**

#### **1313.1. Administrative Reviews.**

The North Georgia College and State University ROTC Grant Program Regulations are applied to each student considered for ROTC Grant funds by appropriate officials of NGC&SU and by the administrative staff of the Commission. If a student believes a ROTC Grant rule or regulation was incorrectly applied in his or her case, the student has the right to file a request for an Administrative Review with the Commission. The Commission will review the case and determine whether the rule or regulation was applied correctly and notify the student and institution of the determination.

In order for an Administrative Review to be considered, the student must write a request for an Administrative Review to the Commission office within 45 days of receiving notice of denial. If additional information is requested from the student, it must be provided within the time frame specified by the Commission. The Commission decides a case based only on documentation provided, rather than a personal presentation.

#### **1313.2. Exceptions.**

Requests for Exceptions to the North Georgia College and State University ROTC Grant Program Regulations will not be considered, reviewed, or granted under any circumstances.

(The remainder of this page is intentionally blank.)

## **1314. Compliance Reviews.**

### **1314.1. Compliance Review Policy.**

The Commission may conduct Compliance Reviews of the ROTC Grant program at NGC&SU in order to assess the institution's administration of the program and compliance with the program's regulations. Compliance Reviews are conducted in accordance with the Commission's *Compliance Review Process and Procedures* documents, which is available on the *gsfc.org* website, under *School and Lender Information - Compliance Documents*.

### **1314.2. Compliance Review Process.**

When conducting Compliance Reviews, the Commission selects a sampling of the institution's recipients, for the Award Year under review, and the institution's files and records for the sample are examined to assure compliance. The institution must have all student-records, which document and support the eligibility of that institution's recipients, available for review by the Commission on the institution's campus. (Refer to *Section 1312*.)

### **1314.3. Institutional Repayment.**

- a. If a recipient is determined to be ineligible for payment, the institution may be required to repay to the Commission the funds awarded to the recipient. The recipient, rather than the institution, may owe the repayment to the Commission, as described in *Section 1310.2*.
- b. If later evidence, not available at the time of awarding, indicates that a student should not have received the ROTC Grant payment, then all future awards must be canceled. NGC&SU is held harmless by the Commission, if the student's file is appropriately documented with available evidence and it is determined by the Commission that the institution was not at fault. Evidence is considered unavailable at the time of awarding if it is not available in the student's institutional files (i.e. financial aid, admissions, registrar, etc.). The institution must notify the student and the Commission of a refund due. The student is ineligible to receive additional state aid from the Commission until the refund is paid in full, in accordance with *Section 1310.2*. If the student's file is determined not to be adequately documented by the Commission, then NGC&SU may be responsible for the repayment.
