RE: HERO Scholarship Program

Dear Colleague:

The purpose of this letter is to notify you of two administrative regulatory waivers for the HERO Scholarship Program for the 2006-2007 Award Year.

Specifically, the following requirements are being waived:

1. An eligible student will not be required to be classified as an undergraduate student.
2. An eligible student will not be required to be in a "matriculated" status.

These two requirements are waived for the 2006-2007 Award Year and will be abolished for subsequent years. The 2006-2007 HERO Scholarship Program Regulations have been footnoted to show both of these administrative waivers. You can access the revised regulations on GAcollge411.org by clicking here: [HERO Scholarship Regulations](#).

If you have any questions, please contact Stan DeWitt at 770-724-9060 or stand@gsfc.org.

Sincerely,

Timothy A. Connell
