*All Calculated GPAs includes all students earning a HOPE-eligible high school diploma -- it does not include students receiving a Special Education Diploma or a Certificate of Attendance.

Note: All calculations were performed with data supplied by high schools -- lists of eligible and ineligible students were verified by high schools after GPA calculations were performed by GSFC. The following county districts reported no graduates, although their students may have graduated from adjoining districts: Baker, Chattahoochee, Clay, Quitman and Webster.
