*All Calculated Transcripts includes all students earning a HOPE-eligible high school diploma -- it does not include students receiving a Special Education Diploma or a Certificate of Attendance.

Note: All calculations were performed with data supplied by high schools -- lists of eligible and ineligible students were verified by high schools after GPA calculations were performed by GSFC. The following county districts reported no graduates, although their students may have graduated from adjoining districts: Baker, Chattahoochee, Clay, Quitman, Webster.

Data for the following schools have been excluded from the individual school reporting because they have fewer than 10 calculated transcripts. The data for these schools are included in the district data and the totals: Classic City Performance Center in Clarke County, Elberta Open Campus High School in Houston County, Regional Evening Alternative School in Jackson County, Woody Gap High/Elementary School in Union County and the three State Schools - Atlanta Area School for the Deaf, Georgia Academy for the Blind and Georgia School for the Deaf.
