4

Research

Check out all your options - whether it be about a career choice, how to pay for college, courses to take and more - it's all found at **GACollege411.org**.

GACollege411 — Quick Start Guide

There's a wealth of information available on GACollege411 that does not require you to have a GACollege411 account. However, in order to access some of the more valuable tools and information, such as free test prep courses, you will need to set up a secure, private account.

Georgia has 104 postsecondary schools that are eligible for state-funded student financial aid - a network of public and private universities and colleges, public technical colleges, and special purpose schools located throughout the state.

GACollege411 offers access to most of the applications you will need for college admission, scholarships, grants, and loans as well as the Free Application for Federal Student Aid (FAFSA).

Choosing a college is a big decision. The key is to remember that there's no such thing as a "perfect" school—you'll find many colleges and universities that match your preferences on **GACollege411.org**. Explore your interests and take the time to find the college that's right for you.
