

12th grade TAA Activity
End of Year Program Survey for Students
20-30 minutes

Objective: Students will assess the advisory program to determine the effectiveness of the program from their point of view.

Materials: Handout, “Student End of Year Survey” for each student

Activity:

1. *Say:* Good morning, welcome to your last high school advisement session. Well, another year is almost gone and you are getting ready to graduate and move on to the next part of your life. Today, as we have in past three years, are going to take a survey that will help create a better learning experience for those who will follow you through our advisement program. I have really enjoyed getting to know you and will look forward to seeing you in the future. Graduation is an exciting event and one you shall never forget. I congratulate all of you!!! Now ----remember, if you have any out-standing debts or unfinished business that might keep you from graduating-----PLEASE take care of it. See me if you need some assistance taking care of your obligations or coursework.
2. *Distribute the survey to the students. Answer any questions they may have about the survey. Students do not have to give their names. Say:* We are trying very hard to make advisement a satisfying learning experience for you without the attachment of grades. We need your feedback to improve the program so we can meet student needs the best ways possible next year. Please be honest and serious with your responses. Your opinion after three years of activities with me is very important to me and the leadership.
3. *Say:* Fill out a session evaluation – this is your chance to air concerns and suggestions for next year’s advisory program.
4. Take up the evaluations and turn them in to the TAA focus team for evaluation. The focus team will share these with you prior to the closing of school. We will begin next year with some team planning based on this year’s evaluation.

SUGGESTION: This is a short session. I would encourage the school to purchase the Dr. Seuss book titled, **OH, THE PLACE YOU WILL GO** for each senior advisement. Ask the PTSA or business partner to donate the books. This is a GREAT book to read to advisees for the last time. SENIORS will love and appreciate it.

STUDENT END OF YEAR SURVEY
